Time Limits: Public comments are welcomed during the Public Comment periods for all matters whether listed on the agenda or not. All comments are limited to three (3) minutes per person. Additionally, public comment of three (3) minutes per person may be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Board meeting. Persons may not allocate unused time to other speakers.

Response to Public Comments: The Board of Health can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The *Open Meeting Law* does not expressly prohibit responses to public comments by the Board of Health. However, responses from the Board members to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Board of Health will consider, Board members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Health District Staff action or to ask that a matter be listed on a future agenda. The Board of Health may do this either during the public comment item or during the following item: "Board Comments – Limited to Announcement or Issues for future Agendas."

STAFF REPORT
TAB 2

Washoe County Health District

February 28, 2013

To:

Members, District Board of Health

From:

Eileen Stickney

Administrative Health Services Officer

Subject:

Presentation and Possible Approval/Amendments to the Fiscal Year 14 Washoe County Health District Budget, with Revenues Budgeted at \$9,502,822, General Fund Transfer of \$8,373,891, and Expenditures Budgeted at \$18,978,101. Agenda Item No. 5.

Recommendation

Staff recommends that the District Board of Health approve or amend the attached Washoe County Health District Fiscal Year 14 budget, with revenues budgeted at \$9,502,822, general fund transfer of \$8,373,891, and expenditures budgeted at \$18,978,101.

Background

- The Special Revenue Funds account for revenue sources which are legally restricted for specified purposes. All revenues and expenditures associated with the health functions of the Washoe County Health District are accounted and budgeted for with the Health Fund.
- 2. The Interlocal Agreement concerning the Washoe County Health District requires the Board of County Commissioners to adopt a final budget for the Health District, which must be prepared using the same time frames and format used by other County Departments.
- 3. The Division Directors and Program staff met with Administration staff to review projected revenues and expenditures for the remainder of the Fiscal Year 13 and to identify budget requests for Fiscal Year 14. The proposed budget reflects the discussions of the Division Directors and direction by the District Health Officer.
- 4. The Interlocal Agreement requires a preliminary budget be transmitted to the City Managers of Reno, Sparks, and Washoe County for their review and comment. The meeting with the Managers of Reno, Sparks, and Washoe County will be held on Tuesday, March 5, 2013 from 9:00 AM to 11:00 AM. The District Health Officer will present the Managers' comments to the District Board of Health on Thursday, March 7, 2013.

District Board of Health February 28, 2013 Page Two

- 5. Staff will forward the Fiscal Year 14 Budget document to the Finance Division after the District Board of Health reviews and approves and/or amends the proposed Fiscal Year 14 Budget.
- 6. As part of the Washoe County Fiscal Year 14 Budget process, Departments will present to the Board of County Commissioners. The District Health Officer will present to the Board of County Commissioners on Monday, April 1, 2013 at 9:00AM. Staff will inform the District Board of Health of any Board of County Commissioners recommendations and confer with the District Board of Health concerning necessary revisions.

Fiscal Year 14 Budget Issues & Assumptions

- Where appropriate, increases and decreases for permit fees and service charges revenues for Fiscal Year 14 are projected using current year to date actual, and prior year actual revenues.
- Grant revenues from federal and state sources are projected as status quo, unless we have been advised otherwise by the granting agency.
- The budget request does anticipate using Fiscal Year 13 ending fund balance in the amount of \$1,745,528 as an opening fund balance for Fiscal Year 14.
- Anticipated expenditures for Fiscal Year 14 are balanced with a combination of forecasted Health District revenues, a request for increased general fund tax transfer, and Fiscal Year 13 ending fund balance.

Reclassification Request

Requests for reclassification which result from program changes, establishment of new positions, changes to organizational structure, changes in the level of services or changes in duties must be submitted as part of the budget process. The proposed budget includes one reclassification request.

District Board of Health February 28, 2013 Page Three

1.0 FTE Office Assistant II to a 1.0 FTE Office Assistant III

The Office Assistant II (OAII) position (PC#7x2131) is currently located in Community & Clinical Health Services Division. The incumbent retired on February 1, 2013. This CCHS position has been kept vacant through June 30, 2013 and CCHS identified it to be abolished to save \$64,315.50. In FY14, the OAII position was locally funded as 10% in Communicable Disease Prevention – Childcare (171104), 70% in Family Planning (173000), and 30% in Immunizations (173500).

However, the Vital Statistics Program is in need of a third position in the Vital Statistics Program to support increased demand and improve service delivery by being opened Monday through Friday. Currently, Vital Statistics is only open Monday, Wednesday, and Friday. To decrease the administrative burden on the entire organization, the OAII is proposed to be reclassified to an Office Assistant III. The position would move from the Community and Clinical Health Services Division into the Epidemiology & Public Health Preparedness Division. The increased fiscal impact of \$68,885 for the OAIII will be funded in the Vital Statistics Program (170300).

Other Personnel Changes

In FY 14, the Community and Clinical Health Services Division is requesting to reduce a vacant 100% grant funded (HIV Prevention grant) 1.0 FTE Health Educator position (PC#7x2278) to an Intermittent Hourly Health Educator position. The Intermittent Hourly employee would be 100% funded on the HIV Prevention grant, a non-benefits eligible position, not employed on a fixed schedule, not to exceed 1039 hours in a fiscal year, and paid at an hourly rate.

The Community and Clinical Health Services Division is requesting to increase a .8 FTE Public Health Nurse II position (PC#7x2207) to a 1.0 FTE Public Health Nurse II. This position is currently funded 75% in 171300 (Sexual Health-Sexually Transmitted Diseases) and 25% in 170600 (Maternal, Child, and Adolescent Health). The increased hours are requested to reduce the impact in the Sexual Health –STD Program from the elimination of 1.0 FTE Public Health Nurse II (PC#7x2200), noted below.

District Board of Health February 28, 2013 Page Four

Should the Board approve these personnel changes, a staff report will be submitted to the County Manager requesting the two changes via the process that has been established with the County Manager, approved by the Board of County Commissioners, to effect changes in permanent position control.

Vacant Positions Eliminated

Since July 2008 and December 2012, 49 positions have been eliminated (38 Full Time, 10 Part-time, and 1 Temporary position. The proposed Fiscal Year 14 budget includes the elimination of three additional vacant positions:

CCHS Public Health Nurse II 70% local Sexual Health - STD 30% local Immunizations	PC#7x2200	\$105,088.75
EHS Vector Borne Disease Specialist 100% local Vector Control	PC#7x2252	\$86,780.76
AQM Environmental Engineer II 50% local Air Quality Management 50% grant funded	PC#7x2302	\$91,397.40
Vacant Positions Funded in FY 14		
EHS Senior Environmental Specialist 100% grant funded	PC#7x2230	\$93,066.56
EHS Environmental Health Specialist 100% local Food	PC#7x2236	\$88,379.01
EHS Licensed Engineer	PC#7x2297	\$110,889.33

District Board of Health February 28, 2013 Page Five

Capital Outlay

The proposed Fiscal Year 14 budget has a capital equipment request in the amount of \$30,378 in cost center 171100-781004 to account for a Care Connect Addendum for HL7. This will assist us in meeting sections of the Affordable Care Act to allow reporting of laboratory results. For Year one, this includes the basic license fee, maintenance fee, interface-Outbound, interface-Inbound, web server and set-up costs. There is an annual ongoing cost of \$8,050 for years two through five.

Fiscal Impact

- 1. Should the District Board of Health approve or amend the Washoe County Health District Budget at its March 7, 2013 meeting, it will establish the operational and expenditure plan for the Health District for the period July 1, 2013 to June 30, 2014.
- 2. The Board of County Commissioners must review the Washoe County Health District's budget as a part of the County's budget approval process. The Board of County Commissioners will determine the level of local funding (General Fund Transfer) available to Washoe County Health District for Fiscal Year 14. That funding level will not be final until the Board of County Commissioners adopts a final budget.

Possible Motions

Should the Board agree with staff's recommendation, a possible motion would be: "Move to approve the attached Washoe County Health District Fiscal Year 14 budget, with revenues budgeted at \$9,502,822, general fund transfer of \$8,373,891, and expenditures budgeted at \$18,978,101."

Should the Board amend staff's recommendation, a possible motion would be: "Move to amend the attached Washoe County Health District Fiscal Year 14 budget, with revenues budgeted at \$9,502,822, general fund transfer of \$8,373,891, and expenditures budgeted at \$18,978,101 to"

ACCOMPLISHMENTS FISCAL YEAR 13

- Met all Federal/State grant and work plan requirements and/or mandates.
- Acquired a funding commitment from Washoe County for the implementation of active remediation of contaminated groundwater at the Washoe County Regional Park, Rancho San Rafael.
- Conducted closure oversight activities at several high-risk (steel tanks and/or delivery lines) gas stations and initiated corrective actions where releases to the environment were confirmed.
- Conducted construction oversight activities at several gas stations and ordered/confirmed the correction of installation defects which may have led to a release to the environment.

- Meet all Federal/State grant and work plan requirements and/or mandates.
- Implement the Relative Risk Evaluation Project for all federally registered UST facilities/operators within the Washoe County Health District (WCHD) to develop a transparent and defensible method to improve the overall compliance rate for UST inspections within the health jurisdiction and provide a higher level of protection to Washoe County Water Resources. This improvement will be achieved through: 1) targeting inspection for risk and/or mandate requirements; 2) determining the frequency of inspection for risk and operator performance history; and 3) achieving consistency of inspection through risk assessment and enhanced inspector training.
- Refine and implement the GPS/GIS Work Plan and UST/LUST Public Records
 Digitization Project.
- Negotiate a Federal/State grant increase by the amount necessary to support the implementation of the UST/LUST program continuous improvement goals listed above, and prepare the implementation of anticipated regulatory changes to 40 CFR 280.
